

# HEALING TRANSITIONS *2019 Impact* STATS

**THE NEED** 20+ million Americans are battling addiction and in need of immediate help. Thousands of them are right here in the Triangle. In the throes of a national opioid crisis, and with Wake County's population increasing 63% since its opening, **Healing Transitions' average daily census has increased a staggering 186% over the last 18 years.** The need is indisputable.

**WHO WE ARE** Healing Transitions is a nonprofit that provides **life-saving recovery services** to 325+ homeless, uninsured and underserved individuals daily in Wake County, all at **NO COST** to the participant. Healing Transitions is **always open** and **never turns anyone away.** It's there for all people, under the influence or not, and regardless of readiness for change, because everyone needs a glimpse of hope to believe life can get better.
